

**MEMORANDUM OF UNDERSTANDING
Between**

MURNI INTERNATIONAL COLLEGE

and

HEALTH POLYTECHNIC OF HEALTH MINISTRY IN MEDAN

No.

No.

Wishing to promote and encourage cooperation of expanding scholarly ties, facilitating academic cooperation and promoting mutual understanding between Murni International College and Health Polytechnic of Health Ministry in Medan both partners agree to explore the feasibility of establishing a framework for educational and scientific cooperation.

In preparation for establishing a formal framework for future accomplishments, both partners based on mutual cooperation and friendship agree to:

- a. Organizing academic meetings.
- b. Sharing of academic materials, and information.
- c. Exchange of students and teaching staffs.
- d. Conducting joint research projects.
- e. Exchange of faculty, staff, and researchers.
- f. Organizing international seminar.

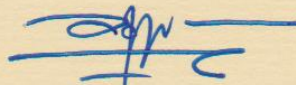

Both parties agree to further discuss and formulate subjects and guidelines for approved projects.

Both Parties may withdraw from the agreement at any time.

MoU is valid for 5 (five) years and may be renewed upon agreement of the Parties.
